ONE WORLD GOVERNMENT IS COMING!

July - August 2000

The following is taken from *Chuck Baldwin's Food for Thought*: In a speech to the World Federalist Association, former CBS broadcaster Walter Cronkite is quoted by the *Washington Times* saying, "It seems to many of us that if we are to avoid the eventual catastrophic world conflict we must strengthen the United Nations as a first step toward a world government patterned after our own government... and police to enforce its international will and keep the peace. To do that, of course, we Americans will have to give up some of our sovereignty. We cannot defer this responsibility to posterity. Time will not wait...Today we must develop federal structures on a global level." Cronkite is not alone in this thinking. Deputy Secretary of State, Strobe Talbot said in a *Time* magazine article, "The Birth of a Global Nation," that he was looking forward to "one global authority." He also said, "Nationhood as we know it will be obsolete; all states will recognize a single, global authority." The *Washington Times* ran another report stating, "The United States has resigned itself to the eventual creation...of a UN International Criminal Court to be modeled after the war crimes tribunals in Rwanda and Yugoslavia." Add to all of this the fact that Secretary of Defense, William Cohen, announced last October that a new U.S. Joint Forces Command became operational. This Command...establishes a new command unit charged with the responsibility of sending federal (and international) forces against the American citizenry. Secretary Cohen said, "The American people should not be concerned about it. They should welcome it." If that isn't enough, Kofi Annan, secretary-general of the UN told the UN General Assembly that national borders will no longer be a deterrent to UN intervention. It is truly amazing what has happened in the last eight years!

Also, consider the fact that most economists feel we are already in or at least on the verge of a world-wide economy. Then, the ecumenical movement is gathering more and more impetus for a one world religion. As for the world government, the Antichrist and his rule are described in Rev. 13. It says, "**...and power was given him over all kindreds, tongues, and nations.**" He has an idol of himself set up and "**He causeth all both small and great...to receive the mark in their right hand or in their foreheads.**" Scripture clearly indicates there will be one world religion, headed up by the Harlot Church of Rome. (To deny that is to fly in the face of Scripture and all the Church fathers since the fifth century, Reformers, etc.).The Antichrist and the Pope will be in league (the Harlot rides the Beast, Rev. 17) until he overthrows her. The description in Revelation 17: could only mean Rome! "**The waters... where the whore sitteth are peoples, and multitudes, and nations... And the woman which thou sawest is that great city which reigneth over the kings of the earth.**" If you are not saved, you will probably see this. If you are in the Harlot Church, God says, "**Come out of her my people...**" ~Revelation 18:4. If you are saved through faith in the death and resurrection of Christ for your sins, you will not be here, but I have no doubt we are going to see these things take shape and possibly endure some persecution. "**It is high time to wake out of sleep...**" It is time to look up for our "**redemption draweth nigh.**"

YOUTH CORNER

AMERICAN HISTORY A LOST HERITAGE.

The *Washington Times* said a recent survey reveals the pathetic condition of the knowledge of our history among college seniors and teachers. The survey of students at the 55 top colleges and universities reveals that not a single one requires a course in American history for graduation. College seniors could not identify George Washington as the American general at the battle of Yorktown and Valley Forge. Words from the Gettysburg Address and basic principles of the U.S. Constitution could not be identified. It is a known fact that when Washington and other American heroes are mentioned, it is often with a negative connotation or in derision. James Rees, director of Mt. Vernon says visitors “know next to nothing about the real George Washington.” Come to Cornerstone Christian Academy and you will have to memorize the Gettysburg Address, The Declaration of Independence, etc. You will take a number of courses in U.S. History. Young people, you thank God for this country. It has many bad points, but it is still the best place in the world. I’ve been to several foreign lands, five in Europe, and nothing compares to the U.S. You’d better pray for America!

NONE DARE CALL IT EDUCATION. John Stormer *Everyone, but especially every parent*, ought to read this book. It documents the truth about public education and the dangers to your children and this country. Single copy price is \$8.95; we’ll send you one for \$6 pp., 3 for \$14. You’ll be amazed! **Get some for your friends!**

FIFTY YEARS ON THE WRONG ROAD.

A little over fifty years ago some Evangelicals, led by Dr. Ockenga headed down the road of compromise in order to gain back the territory that had been lost to liberalism. But few Evangelicals today hold to the position of earlier Evangelicals, with many if not most, accepting Roman Catholicism as truly Christian, eliminating the fire of hell, etc. The Billy Graham organization sponsored a “Celebrate Jesus ‘99” evangelistic crusade in Jamaica. The evangelist was Franklin Graham and the sponsors included everything from the Pentecostals to the Seventh Day Adventists (*Christianity Today* 10/4/99). The SDA believes in salvation by works, not faith. They also believe in soul sleep and annihilation of the wicked dead. Ellen G. White is still their inspiration and guide. The truth is the Evangelicals have given up just about all of the Bible including the cover which says “HOLY Bible.” They have no concept of holiness - separation! The new President of the National Association of Evangelicals insisted they must make their fellowship even broader (if that’s possible). Kevin Mannoia said, “We have perhaps drawn the circle too close. We don’t need to be looking for litmus tests...” He also said that the NAE need not fear charismatic movements such as the Vineyard. Why should they, the NAE began with seven Pentecostal denominations! Get our book, *The (New) Evangelical Experiment*. \$3 plus \$1 post. **3 for \$7 pp.**

WHAT IS IT YOU WANT TO MAKE? “I don’t believe my son will have time to take a four-year course,” said a father to James A. Garfield, then president of Hiram (Ohio) College. “Could you provide a shorter course?” he asked. Garfield replied, “Why, yes, I think we can, but it all depends upon what you want to make of him. When God wants to make an oak, He takes hundreds of years. When He wants to make a squash, He takes only three months.” -Copied. Young people, do not be in a hurry to get a cheap education (or a cheap anything else). Strive for the best, especially when it comes to spiritual things. God is trying to make something worthwhile and useful out of you, and it will take a lifetime of work and perseverance.

Study to show thyself approved to God, a workman that needeth not to be ashamed, rightly dividing the word of truth. ~2 Timothy 2:15

THE WORLD GETS DUMBER AND DUMBER!

A recent survey of 1,000 top scientists in America, members of the select National Academy of Sciences, reveals that 75% are atheists. This is an increase of 50% over the last 85 years. -*The Servant*. Amazing! With most of their *proofs* for evolution shattered and the evolutionary philosophy constantly changing, these people simply will not face facts; God made it all! As we have pointed out many years ago, that’s their problem. They do not want to believe there is a God and that they will one day have to answer to Him. Well, their day dreams won’t change facts! God says, “**The fool hath said in his heart, there is no God.**”

HANKERING FOR A CHANGE

When Abraham Lincoln's nephew failed in farming in Illinois, he planned to sell his farm and move to another farm in Missouri. Lincoln, who possessed much wisdom, wrote him and inquired: "Is the soil any better in Missouri than it is in Illinois? Can you raise any crops in Missouri that you could not raise in Illinois? Is the climate any better in Missouri than it is in Illinois?" He went on to point out to his foolish nephew, "You do not need a change of location to succeed as a farmer; what you need is a change of heart." Many have the false notion that if they could just pack up and go somewhere else, they would then be able to succeed or have an easier time of it. The truth of the matter is, one of the traits of human nature is to seek for an easier place, and a companion characteristic is simply the desire for change. The grass always looks greener in the other fellow's field. This attitude is often seen among professed Christians. It is so hard here, the people are callused, the climate is not good, life would be easier over there, etc. I have seen this sort of thing hundreds of times over the years. They refuse to see it, but the real problem with these folks is themselves, not their surroundings, other people, etc. In the first place, where do believers get the idea that God has them here so that they can have an easy time and just enjoy life until Jesus comes? Yes, some places are harder than others, although that is not generally true. Doesn't God want somebody in the hard places? If this describes you, face facts and work for God where you are. Instead of seeking to have your own easy way, seek God's will and His way. Should you want anything other than His will? Your way will end up being the hard way! "Seek ye **FIRST the kingdom of God and his righteousness...**"

CHRIST MADE ME A NEW MAN

The mother of C.I. Scofield, the famous Bible expositor, died with a prayer on her lips that God would make her son a minister of the Gospel. Her son grew up to be a lawyer. He became a pronounced drunkard. Into his law offices one day came McPheeters, a young man his own age. After talking awhile, McPheeters got up to go. With his hand on the doorknob he turned and faced Scofield saying, "For a long time I have wanted to ask you a question. I have been afraid to ask it, but I am going to ask it now. I want to ask you why you are not a Christian?" The lawyer replied, "I am a hard drinker. Have drinkers a place in Heaven?" "You have not answered my question, Scofield. Why are you not a Christian?" Scofield said, "I have always been a church member, but I do not recall ever being shown how to become a Christian." McPheeters drew up a chair and showing him how to be saved said, "Will you accept Jesus Christ as your Savior?" "I am going to think about it." "No, you are not. You have been thinking about it long enough. Will you settle it now?" After a moment, Scofield said, "I will." The two men dropped to their knees and Scofield told the Lord he believed on Him as his personal Savior, and was born again. Years later Scofield said, "It was a Bible conversion. From a worn pocket New Testament, McPheeters read to me great Gospel passages, the great salvation Scriptures - **John 3:16; 6:37; 10:28; Acts 13:38,39**. And when I asked, as did the Philippian jailer, 'What must I do to be saved?' he read them to me again. We knelt, and I received Jesus Christ as my personal Savior. And, oh, instantly the chains fell off, the passion for drink was taken away. I want to make it plain: instantly Christ made me a new man." - *Copied*. What about you, my friend? Are you saved? Have your sins been forgiven? Will you read the above Scriptures and trust Christ today?
