## **NEW GOVERNMENT FOR NORTH AMERICA!**

**December 2006**

I am sure many will say that what is described in this article is ridiculous and impossible. I was in Greece in 1985, when the European Union was just beginning to blossom. My good friend Thanos Karbonis (a Greek national, a Gospel Preacher and lawyer) said to me that a few years before no one would have dreamed it possible to unite Europe. Remember, 1939 to 1945 they were all fighting each other. The following is excerpted from *American Policy Center*, 70 Main St., Suite 23, Warrenton, VA 20186. Phone: 540-341-8911. [www.americanpolicy.org](http://www.americanpolicy.org)

The Bush Administration has been operating in secret for at least two years to establish a North American Union with Mexico and Canada. It eventually means an end to the U.S. Constitution, replacing it with a new North American government. Plans are well underway to establish a NAFTA super highway...It will run from Mexico to Canada. No tariffs or no inspections will be enforced as trucks drive through this nation. Kansas City, MO has been tapped as the city to serve as "an inland" port to handle imports and exports for the three nations... The effort began on March 23, 2005, after a summit, held in Waco, TX. It was attended by Pres. Bush, Pres. Fox (then Pres. of Mexico) and (then) Canadian Prime Minister Paul Martin. The agreement officially authorized eight tri-lateral "working groups" to establish "Security and Prosperity Partnership" (SPP)... The working groups are now laying the foundation for a European-style integration of the North American continent. The White House has established a SPP office in the North American Free Trade Agreement (NAFTA) office in the U.S. Department of Commerce. A May 2005 Council on Foreign Relations (CFR) report gave a blueprint for expanding the SSP into a North American Union that would make the three countries one nation. The report is entitled, "Building a North American Community." (It is no secret that the CFR is a dedicated to a one-world government).

A member of the CFR task force, Dr. Robert Pastor, wrote a book entitled "Toward a North American Commission." The book, the CFR task force and the SPP agreement all call for a Council to pull in the private sector. The CFR task force calls for the "creation by 2010 of a North American community to enhance security, prosperity and opportunity...Its boundaries will be defined by a common external tariff and an outer perimeter security within the movement of people... In accordance with this, the CFR has called for the establishment of a common border perimeter around North America (the three nations) by 2010.

To date, Congress has passed no specific legislation to authorize the activities of the SPP, nor the funds it is spending. Congress has no official involvement in the process and oversight. Congressman Tom Tancredo (R-Colo.) had demanded the Bush Administration fully disclose the activities of the SPP working groups, including the revealing of the names of the members of these groups. No answer to this demand has yet been received from the Bush Administration though the activity continues to move forward. Quietly, the Bush Administration is working to advance the plan to build the super highways through the heart of the U.S. The plan is now being advanced through an operation called "North America's SuperCorridor Coalition, Inc." Plans call for it to begin in southern Mexico, passing through Laredo, TX, then heads to Kansas City, MO and on to Canada. As part of the inland port, a Mexican Customs office is being established. **THE GREAT COMMISSION?** “Go ye therefore into all the world and preach the Gospel to every creature.” Is that the Great Commission? Did Jesus tempt His followers two thousand years ago with promises of bread and fish to drop by and hear His Sermon on the Mount? Did He gather singers to wail from the hillside in order to lure them in for a little Good News? No, the Bible says, **“It pleased God by the foolishness of preaching to save them that believe.”** -Copied

**ANOTHER FALSE ALARM!** In 2004 some remains were found in Indonesia on the Island of Flores which were highly touted as a new species and proof of evolution. They were labeled “Homo” floresiensis.” They were commonly called “hobbits,” and supposedly, they represented ancestors of Homo erectus or modern man. However, recent investigations by Penn State University and others have demonstrated that the bones discovered were ancestors of pygmies who now live on the islands. Thus another “wonderful” evolutionary find goes up in smoke, like many prior ones. -Cited in *TBC Today* (10/6/06). Ed. Young people (adults too) you never need worry that someday the evolutionists will come up with something that will disprove the Bible. First of all, The Bible is God’s infallible, immutable (unchanging) Word; it can’t be wrong! Secondly, evolutionary teaching is a house of cards. It has been proven wrong over and over again. Not only that, the whole theory keeps changing. Why then do they continue with great effort to prove this fantasy? For forty or more years we have said the problem is they do not want to believe that the Bible is true. If the Scriptures are true concerning Creation, then there is a God. If there is a God, then there surely must be accountability, a judgment! Darwin said he just could not believe in a place called hell as described in the Bible. Of course, his unbelief changed nothing! He has long since found out that he was wrong. If you are not a born again child of God through receiving Christ as your Savior, don’t make the same mistake Darwin did. If you want more information write to us.

### **SOME THINGS TO THINK ABOUT.**

Don’t forget this: God’s Word is the last word on every subject!

It will cost you more to say “NO” to God than it will to say “YES”.

If you are in tune with this world, you are out of harmony with God.

Those who boast about being temperamental are usually 90% temper and 10% mental.

Do what you can where you are with what you have.

**GREAT GATES TO HELL.** Martin Luther was right on target when he said, “I am much afraid that the universities will prove to be the great gates to hell, unless they diligently labor to explain the Holy Scriptures and to engrave them on the hearts of the youth. I advise no one to place his child where the Scriptures do no reign paramount.” Boy, was he right!

## NEWS YOU SHOULD KNOW ABOUT

**(From page 1).** The Kansas City Council has voted a \$2.5 million loan to KCSmartPort to build the Mexican customs facility in the West Bottoms near Kemper Area on city-owned property.

Ed. This sort of thing does not seem far fetched to me. One-world fever began after WWI with the League of Nations (if not before). It picked up steam after WWII with the founding of the United Nations. Then, the European Union really set the stage for greater things. Globalism has been the theme of the CFR and Trilateral Commission for decades. Former Pres. George Bush often spoke of a New World Order. Those who know their Bibles, realize in the last days there will be a one-world Church and the world will worship the Beast. This is evident in Revelation 17 where the Woman (Harlot Church) rides the Beast. We are certainly in the last days and we are seeing the stage being set for these things. If you are not saved, not a true born-again child of God, you had better repent and receive Christ as your Savior. For those of us who are true believers, **“It is high time to wake out of sleep...”** and get on with preaching the Gospel and serving God. Too many of God’s people are caught up in the world and things that don’t matter. We need to be about our Father’s business!

**WAL-MART AND HOMOSEXUALS.** In a show of support to help homosexuals legalize same-sex marriage, **Wal-Mart has agreed to automatically donate 5% of online sales directly to the Washington DC Community Center for Gay, Lesbian Bisexual and Transgender People. The cash donation will come from online purchases made at Wal-Mart through the homosexual group's Web site.** This follows Wal-Mart's joining the National Gay and Lesbian Chamber of Commerce and agreeing to give generous financial help to that organization also. Every purchase made online for books, music, videos, clothing and accessories, children's clothing and toys, and electronics at the site will **automatically send 5% of the sales to the CCBLBT People.** Wal-Mart is totally committed to supporting the homosexual agenda. -AFA

**CHARISMATIC CONFUSION!** This is excerpted from *TBC Today* (9/8/2006). Paul Crouch (of TBN) and his son Paul, Jr. interviewed Dr. Jeremiah Cummings who is a “former” member of The Nation of Islam. He is now allegedly a “minister” of the Gospel. He says that after a 43 day fast he saw in the

Quran that Jesus was the Messiah, etc. After supposedly showing Crouch where this occurs in the Quran, Crouch asks, “Now do you have to turn your back on Muhammad when you become a Christian?” Cummings: “You must understand that the Muslim world before they had the Quran and before Muhammed came they worshipped 365 idol gods. Muhammed came and said, “There is only one God.” So, he brought reformation to a nation that was in idolatry. The nation of Israel had the same problem with idolatry...” Crouch: “...when we talk to Muslims they say, you guys worship three gods...how do we get across that?” Cummings: “I have a glass of water. This water is manifested in three forms...liquid, solid or steam...” Crouch exults over this age-old heresy. Ed. How could a true believer (preacher) be so blind? Many Scriptures reveal you cannot be a Muslim and a Christian at the same time. You cannot deny the Trinity and be a true Christian. His illustration is an old heresy (4th century, it is called Sabellianism) that denies the Trinity. It is the philosophy of old-time Unitarians. It says God is One but he reveals himself in three different ways. Muhammad rejected the Trinity as the worship of three gods.

**DEMOCRATS PROMOTE GAY MARRIAGE.** The Democratic National Committee (DNC) spokesman Danien LaVera says the DNC has developed a five-point plan to help homosexuals block legislation which prohibits homosexual marriage, and to push homosexual marriage. The first successful effort occurred in Illinois where the Democrats helped keep marriage protection law off the ballot in that state. LaVera said the DNC strongly opposes efforts to ban homosexual marriage and the Democratic Party plans to step up efforts to promote pro-homosexual marriage bills in several states. The five point plans is as follows:

- 1 - Labeling efforts to ban homosexual marriage as “divine” ploys by the Republicans and others to deflect voter attention from more important issues.
- 2 - Begin...specific training for state Democrats in all 50 states on how to campaign against state measures banning homosexual marriage.
- 3 - Working closely with the gay group National Stone-wall Democrats...” to combat states measures defining marriage as being between one man and one woman.
- 4 - Working cooperatively with homosexual organizations in fighting ballot measures in each state...
- 5 - Empowering and organizing homosexual communities around the country with the help of DNC’s new homosexual outreach organizer, Brian Bond. -Copied

## BELIEVERS – DISCIPLES

Jesus said, "**Go ye into all the world and teach all nations...**" The word teach is the word for "*disciple*." In the New Testament, a believer is a disciple, one who learns of Christ and His ways. Vance Havner said: "*It is evident that we are to make disciples, not just believers. In the early Church, there were no distinctions; a believer was a disciple and a witness. There was no taking Christ as Savior now and Lord later - maybe never! But today churches are filled with 'believers' who have never been made disciples. Some of them perform perfunctory religious duties, but they have never denied self, taken up the cross and followed Christ. They've not been taught to observe all things commanded. The early Christians believed, became disciples, and that sent them out to be witnesses and make disciples of others. We need to return to the Great Commission all over again.*" We are living in the day of "easy believism." The Bible word for believe means to place confidence in or to completely trust. Scripture says we must "**believe in thine heart**" the Gospel; that Christ died for our sins and rose again. That means with the whole being. That is not the same as a vote for Jesus. Many have "signed up for heaven," but they have never repented and been born again. Jesus said, "**Except a man be born again, he cannot see the kingdom of God.**" The one who is born again is not a person who has made some hasty decision and remains the same old individual. God says, "**If any man be in Christ, he is a new creature, old things have passed away and behold all things have become new.**" Are you a disciple; a new creature?

## DOES THIS DESCRIBE YOU?

This true story no doubt fits a good many people, in all probability some who are reading these lines. A Preacher gave his testimony of being on the battleship West Virginia the day of the infamous Pearl Harbor attack, December 7, 1941. Along with about fifteen other sailors, he went to Bible study on December 6th. He had been brought up in a Christian home but did not take it seriously. The leader of the study asked each one to give a different verse of Scripture. Though he'd gone to Church three times a week all of his life, the only verse he could think of was John 3:16. But before it was his turn, someone used that and he could not remember another. He sat there in great humiliation. When the study was dismissed, he went home saying to himself over and over again, "*Robertson, you are a fake!*" At 7:55 the next morning there was a call to battle stations; the Japanese were attacking Pearl Harbor. He went to his gun placement, and along with others, began firing blanks since that was all they had on deck. The live ammunition was stored below. He said, "*As I fired that machine gun, all I could think of was, 'Robertson, you're a fake - your whole life has been just firing blanks!'*" He said I made up my mind if I escaped with my life, I would be serious about salvation and following Jesus. He was true to that commitment! Many, like him, in our Fundamental churches are just firing blanks. Maybe you are one of them. You have made a profession of salvation, but you are not "born again" and you have been just firing blanks. What a way to face God! Wake up! Repent! Trust Christ and surrender your life to Him! (Read Matthew 7:21-23)
