THE GREAT HOAX OF EVOLUTION!

November 2007

I first studied evolution as a theory over 65 years ago in junior high school. I had many other occasions to look into it being in the engineering field. Though there have been many changes, the basic Darwinian philosophy underlies it all. The truth is they are no nearer to finding the answers than they were in Darwin's day. They are trying to prove an impossible hypothesis. I have said it for many years; evolution is nothing but an attempt to get rid of God. Darwin said it and so have any number of others. "His theory was his revenge against the god he could no longer believe in, the 'god' that allowed his daughter Annie to die." -TBC (04/07). Darwin said that he could not believe in a God who created a place called hell and that many of his friends and relatives were in such a terrible place. Biologist Richard Lewontin said: "We take the side of science in spite of the patent absurdity of some of its constructs...for we cannot allow a Divine Foot in the door." -TBC. Absurd is a good word for the whole thing! One of the objections of atheistic scoffers is how can a good God create all the evil that is in the world? Well, the truth is He didn't create it; man did (with the help of Satan). All that God made was "good," in fact, "it was very good."

If evolutionary teaching is wrong and bad, theistic evolution is worse. The Roman Catholic Church and most other churches teach God created the world, but He did it through the process of evolution. This is taking two opposites and somehow blending them together. This is ridiculous, for evolution is basically atheistic. This false teaching is espoused at many, if not most (and possibly all), Evangelical schools such as Wheaton College, Gordon College, Fuller Seminary, etc. As far back as 1961 Dr. Russell Mixer of Wheaton College (defending theistic evolution) said, "Genesis 1 is designed to tell us who the Creator is, and not necessarily how the full process of creation was accomplished..." How pathetic! The theory of evolution allows no room for the miraculous; all must be in the realm of the natural. That would rule out all the miracles in the Bible including the virgin birth and resurrection of Jesus Christ, etc! Evolution allows no room for the fall of man and thus there is no sin (No wonder psychology goes hand in hand with evolution). What is the birth and death of Jesus Christ all about if it is not salvation from sin? "Thou shalt call His name Jesus, for He shall save His people from their sins." ~Matthew 1:21. If there is no God, man is simply left in the dark concerning his origin, his purpose and his future! The answer is simple: "In the beginning God created..." Yes, and in the end - "It is appointed unto man once to die, but after this the judgment." ~Hebrews 9:27. The reason for the latter: "All have sinned and come short of the glory of God." ~Romans 3:23. (evolution sees no sin or judgment). The fact of sin is pretty obvious. But a loving God made a way for all to have their sins forgiven and spend eternity in that wonderful place called Heaven. How? It is very simple: "Believe on the Lord Jesus Christ and thou shalt be saved." ~Acts 16:31. Believe that "Christ died for our sins... that He was buried and that He rose again the third day..." ~I Corinthians 15:3,4. Early in the 20th century, when Darwinism was in its heyday, Robert Etheridge, head of the geological department of the great British Museum said, "This museum is proof that there is not a particle of evidence of transmutation of the species, nine-tenths of the talk of evolution is not founded on observation, and is wholly unsupported by facts." And there is no more proof today! Yet, this hoax is promoted throughout the world as a fact. See our booklet: "Creation; Does It Matter What You Believe?" (\$2.00 pp.).

THANKSGIVING SERVICE

This is always one of the most inspiring services we have all year. *Join us and make it a real Thanksgiving to God.* After all, that's what it was in the beginning! Just how grateful are we to God for His salvation and multiplied blessings? The truth is most Americans are ungrateful to God for all His blessings. Let us **“Give thanks unto the Lord for He is good.”**

THURSDAY - NOVEMBER 22ND - 8 PM

We'll have a good **Gospel Song Service**, a time for **Testimonies** and a **Special Message**. If you're having guests in for dinner, invite them to come along. **Let's put the Lord first!**

* * * * *

WE APPRECIATE YOUR LETTERS:

From Florida: Just a short note to say thank you for the blessings of the *Cornerstone Challenge* the past several years...Thank you so much! (a prisoner).

From Rhode Island: I just wanted to let you know how much I have been enjoying your Church website... I enjoyed our conversation the other day and look forward to talking with you again. (A Pastor).

From Canada: I am so grateful for the *Cornerstone Challenge* you have sent me for the past year. I have made many copies and sent them to friends.

From North Carolina: The Lord bless you and give you His increase in your Boston outreach and *Cornerstone Challenge* to the salvation of souls.

From Washington: Enclosed is our check for \$-- for “The Revelation of Jesus Christ.” The remaining is for the *Cornerstone Challenge*. We appreciate it in these days when the Word of Truth isn't found very often. We pray or you. (We need the prayers of God's people)

From Maine: We appreciate your monthly “News” and would like to renew our subscription... You have been faithful at the Church for many years so keep keeping on until the Lord calls or comes!

From Ohio: Thank you for sending the *Cornerstone Challenge*. Hopefully you will send it to our Church as well... How great it is to find someone with the same Bible values. It seems “our breed” is dying out but God is still in control. (A Pastor)

ENTER INTO HIS GATES WITH THANKSGIVING

The Lord is good to all, and his tender mercies are over all his works. *Psalm 145:9*

Great is Jehovah and greatly to be praised. *Lamentations 3:23*

WHAT IS IT YOU WANT IN LIFE? Most young people want what is commonly called “the good life.” They want plenty of money so they can enjoy life and do their own thing. They're not too interested in God and eternity. I read of two friends who were passing a large tract of land. The one who owned it said, “What do you think this land and the buildings which are on it cost me?” The other man said, “I don't know what they cost you in money, but I think I know what they cost you otherwise.” “What?” “They cost you your soul,” was the sorrowful reply. Young person, I urge you to get your priorities right and seek the Lord. God's Word says, **“Seek ye the Lord while He may be found...”** You may say that you will do it after you get what you want in this world. It says, **“Seek ye the Lord while he may be found.”** You cannot come to God on your terms. Listen again to God's Word: **“For what shall it profit a man, if he gain the whole world and lose his own soul. Or, what shall man give in exchange for his soul?”** If you got the whole world, but had to spend eternity in hell, would it be worth it? Trust Christ today!

NEWS YOU SHOULD KNOW ABOUT

HOMOSEXUALS GET GREAT BOAST IN CALIF.

“Mom and Dad” as well as “husband and wife” have been banned from California schools under a bill signed by Gov. Schwarzenegger, who with his signature also ordered public schools to allow boys to use girls rest rooms and locker rooms, and vice versa, if they choose. In case you think this only affects California, think again. California has the largest public school enrollment in the States. Since textbook publishers cater to their largest buyers, this will impact the entire country. They are not likely to have separate editions for others. The bill bans anything in public schools (day cares, preschool, etc.) that could be interpreted negatively toward homosexuality, bisexuality, transgenders, etc. The practical effect of the bill will require positive portrayal of these things. On the banned list of books will be any that portrays marriage as between one man and one woman. Anyone may choose the rest room or locker room of the gender he/she chooses to be. -*WorldNetDaily* (10/12/07). Ed. Unbelievable!

EVANGELICAL OUTREACH MINUS THE GOSPEL.

We recently heard the president and CEO of Focus on the Family (James Dobson). He spoke of the world-wide outreach of Focus on the Family and mentioned their huge audience in China. Dobson is heard on the Chinese government radio. According to Deanna Go of Focus on the Family, there is a 90-second commentary and a five minute broadcast reaching 233 million people. But what do they hear? The Chinese outreach is totally without any mention of the only Name under heaven given among men whereby we must be saved (Acts 4:12). There is no mention of sin, repentance or salvation. *Ms Go said the broadcasts must be absent the Gospel in order to broadcast in China.* -Excerpted from *PsychoHeresy Awareness Letter* (Sept.-Oct. 2007). Ed. This is classic (New) Evangelicalism! How many uninformed Christians give to support what they think is a ministry that is reaching millions of atheists with the Gospel. Without Christ there is no Gospel! What these millions of lost Chinese no doubt do get is a huge dose of christianized psychology. Dobson is first and foremost a psychologist. (Italics mine).

NORTH AMERICAN UNION DRIVER'S LICENSE.

The first “North American Union” driver’s license, complete with a hologram of the continent on the reverse (side), has been created in North Carolina. “The North Carolina driver’s license is ‘North American Union’ ready,” charges William Gheen, president of

Americans for Legal Immigration.” Gheen provided WND with a photo of an actual license. He said, “The hologram looks exactly like the map of North America that is used for the background for the Security and Prosperity Partnership of (the) North American logo on the SST website.” Green stated, “I object to the loss of sovereignty that is proceeding under agreements being made by unelected government bureaucrats who think we should be North America instead of the United States of America.” - *WorldNetDaily* (9/6/07). In 2005 WND reported that North Carolina was the state where illegal aliens go to get a driver’s license, with bus loads of aliens traveling south on I-95 to get an easy ID. Ed. I am afraid many Americans think that this Union is more or less a joke and that it will come to nothing. It is no joke and is progressing more rapidly than you might suppose. When people wake up, it will be too late.

THE CHINA THREAT. Cliff Kincaid, president of America’s Survival, is saying it is no secret the Chinese have been using the billions of dollars they have obtained from the sale of cheap goods to the United States to build up their military. He says what is really frightening is the build-up of the Chinese navy, which could pose a major threat to U.S. security. “Some analysts say that the Chinese, by the year 2020, will be the largest maritime force [and] have the biggest navy on the face of the globe.” Kincaid said, “Our U.S. Navy leaders don’t seem to recognize it -- or else they do and they have decided the approach should be to appease the Chinese. He stated: “In the meantime, the U.S. Navy continues to downsize. We are down now to only 276 Navy ships, from a high of 594 under President Reagan - - and we’re scheduled to decline even further, down to 180 over the next 17 years,” he laments. *OneNewsNow* (9/25/07). Ed. In spite of the Muslim threat, we have been saying for years that the greatest threat to the U.S. and the world is China!

DANGEROUS HATE CRIMES' BILL PASSED.

Sen. Ted Kennedy succeeded in tying the “hate crimes’ measure to the Defense Authorization Bill. It passed 60 to 39. A similar bill passed the House in May. That tells you the amount of support for this dangerous legislation. While its obvious goal is to silence dissent against homosexuality, it will have the effect of silencing free speech in this land. Similar laws have been passed in other lands and often used as a weapon against free speech.” Freedom of religion and religious expression will certainly be curtailed if not eliminated. May we stand in an evil day!

ALCOHOL AS MEDICINE

Dr. George J. Van Komen wrote: “As a physician, I’m flabbergasted at the enormous success the alcohol industry has had repackaging booze as health food. Nothing could be further from the truth. Several scientific studies over the past 20 years have suggested that moderate alcohol consumption can raise healthy cholesterol and may also reduce out-of-control clotting of the blood...But completely believing these studies is like using a howitzer to kill a rat that is raiding your garbage. You may rid yourself of the rodent, but what will it do to your house... A Wine Institute spokesperson, touting health studies that have caused halfhearted health officials to soften their stance on alcohol as health food, stated that he was ‘full of joy’ over these changes. As a doctor I must ask, ‘How can anyone be joyous over the use of alcohol, a drug that causes so many adverse consequences to both health and safety?’ *There is no other drug, legal or illegal that does more personal harm than alcohol.* The Center for Substance Abuse...states that more than 100,000 Americans died of the direct consequences of alcohol in 1994. Alcohol cost American society that year \$100.4 billion.” Alcohol consumption negatively affects virtually every organ and system within the human body. So negative are the affects that it will...cut off fifteen years of life. It interrupts the lives of 17 million Americans today through misuse... Alcohol raises blood pressure, one of the leading causes of heart attacks. Alcohol is a poison you don't need. Stay away from it and avoid all the problems and health consequences suffered by thousands of drinkers.” -*Sword of the Lord*. For all the talk about illegal drugs today, alcohol is responsible for more illness and death than all drug abuse put together. Around 40,000 a year die on our highways, over half because of alcohol.

ADJUSTING TO THE TIMES

I have heard it many times: If you want to reach people with the Gospel, you must adjust to the times. I’ve seen many preachers do that and it is always a disaster, even if they get a larger crowd. That is what “seeker friendly church” (Rick Warren, etc.) is all about. I like the words of A.W.Tozer on this: “They say if you don’t conform to the times and find common ground to get along with everybody that nobody will listen to you...I have been told that I’ve missed the boat, but I reply that I wasn’t trying to catch that boat. That boat and a lot of others like it can go without me. I weigh 145 pounds dripping wet, but I stand here to tell you that I am a nonconformist, twice born, and a rebel and I will not conform to the times. If the day ever comes when to conform to the times is the price you have to pay to be heard, then I’ll go out where I started before on the street corner and preach there. But I won’t conform to the times. They say don’t you know these are different times we’re living in? I know the voice of the serpent when I hear it...*We cannot let down our Christian standards just to hold the interest of the people.*” Amen! When Billy Sunday was preaching in a fashionable area he was called before the committee who was sponsoring the meetings and asked to tone down his preaching on sin, etc. One of them said, “Billy you are rubbing some of the cats the wrong way.” Sunday said, “Then, let the cats turn around!” Amen again! We have not been called to trim the truth of our Lord’s Word. I have a hunch that it is not going to go well with those who do so when they see Him! **“Preach the Word; be instant in season and out of season; reprove, rebuke, exhort with all longsuffering and doctrine.”** ~*I Timothy 4:2.*
